Dear students and families:

Our school has high expectations for what a student can accomplish. With all families pitching in, we will continue to improve as we grow and expand. We want to see more remarkable progress each year as we move on.

With that in mind, we ask that you complete the following informal climate survey so that we may improve our school for the future. The survey may be returned to your teacher or mailed to:

Chinese School of CAACF Climate Survey
558 Pleasant Grove Drive
Winter Springs Fl 32708

While the survey is optional, we encourage each of you to complete one; your feedback is valued and it should only take a few minutes of your time. The survey can be completed anonymously, and we will use the replies to continue to strive to improve the quality of education that each student receives.

Our school depends upon your feedback to set the goals for the many years to come as it is important that we know what our strengths are as well as the areas in which we can improve.

Thank you in advance for your continued support for Chinese School. We look forward to hearing from you and pledge to use the information that you provide to make this a premiere school for the community.

Responses may be written on the back or on a separate sheet of paper.

Sincerely yours,

Conchita Hsu
Principal
