

Come Join the Chinese School of CAACF Music Ensemble

Beginning on August 23, 2008, the CAACF Chinese School will once again offer a music ensemble. It will be under the direction of Mr. Jay Snyder.

This group will meet during third period (4pm) every Saturday in Room 107 at the Winter Park 9th Grade Center, 528 Huntington Avenue, and is open to students and adults who already play either a band or orchestra instrument and can read music.

The first meeting will be August 23rd in Room 107 with rehearsals beginning September 6th. Students must provide their own instrument and a music stand.

If you are interested, please sign up now or at the Fall Registration. For more information call Mr. Snyder at 407-891-1441. Please let him know what instrument you play and how many years you have played.
