

# Orlando Hoshuko Graduation オーランド補習校卒業式

■ By Akiko Kanaoka, Orlando Hoshuko Vice Principal

On March 19th, at Lake Highland Preparatory School, Mr. Harris Rosen (the Honorary Consul General of Japan in Orlando since last year) attended the graduation ceremony of the elementary school division of Orlando Hoshuko to encourage the families of who have been shaken by the tragedy (in Japan) of March 11th. There were about 100 Hoshuko students, teachers and parents in attendance.

In his speech, he talked about how his business went downhill after the attacks of September 11, but he was able to get back on track because of his faith. Likewise, he inspired everyone that if they keep their faith, Japan will be able to stand back up. The six students graduating in this ceremony each shared their goals and dreams. Mr. Rosen inspired the graduates and all the families of Hoshuko to a new start.
