September 24, 2005

Dear Parents/Guardians and Students,

The Moon Festival is over. Hope you all had enjoyed the event. I want to thank everyone for participating and helping to the success of the occasion. It was a fun filled day of entertainment. We all look forward to next year Mid-Autumn!

After the Mid-Autumn, comes another important cultural day. 2,555 years ago on September 28th, Confucius, a great Chinese philosopher whose ideal of equilibrium made him a foremost educator was born. Later on, Confucius birth anniversary was made into Teacher's Day. Coincidentally our school was founded on this day 26 years ago. Today, our school calls an assembly to celebrate these 2 happy significances for a few minutes starting at 3:30 in the cafeteria and end at 4 in time for students to go to 3<sup>rd</sup> period. Please be quiet for our Kung Fu class to concentrate on their wushu and for our PTA to show appreciation to all teachers. Your always respecting and honoring the teachers/elders/parents is highly saluted.

At the PTA General Meeting last 9-10, a couple of important announcements were made to the public. Our school continued to be a community partner with Dong Fang (First Oriental) Market. This year to all parents or friends who turn in each of the fund raising card (expires on May 06) in time to PTA will have his/her share of cash back. A fully stamped card is worth about \$200 of purchase and Dong Fang is willing to donate up to 10%. Out of this percentage, parent/friend earns five bucks at the submission of each proof. What a way for both the supporter and the school to earn money! Kindly stopped by the cafeteria to obtain this yellow card for your own use and distribute it too to as many friends as you can. We appreciate your support very much. If there is any question, please don't hesitate to ask. Another announcement made was that there will be an INFORMAL/CASUAL TALK with PRINCIPAL/ADMINISTRATOR at the first Saturday of each month in the cafeteria. It will be conducted in two sessions starting at 2 to 3pm for Chinese speakers and 3pm to 4 for English speaker. We welcome any topic. Please share with us any of your concern or experience.

Next week we will be handing out flyer of Chinese Poster Competition. In order to be accounted for, you must turn in no later than October 15<sup>th</sup>, 5pm to your Language Class Teacher. Remember we skip class one week after Oct 15<sup>th</sup>. Please choose only one theme: either Learning Chinese is Fun or The Chinese Festival. After this October activity, on November 12<sup>th</sup>, many classes will be holding the TASA. This Test for Accumulated Achievement Scholastic serves as an encouragement to students to review what s/he had acquired previously and hopefully to be able to retain the past materials to the best ability. Any one who score an A(90and above) will be recognized at the Award Ceremony.

We had a few text/workbooks and school T-shirts left for sale at the cafeteria. If interested, please take a look at your earliest convenience. For those who like to work on the tricks and trivia of the crossword puzzle, we have a contest, an optional for Parent and Student to work as a team, due on Dec10. Come to cafeteria for details.

Sincerely yours,  
Conchita Hsu
