Dear Parents/Guardians:

October 18, 2005

CONCHITA HSU
Principal

As you all may have noticed, this year's Kindergarten Pinyin class has a tremendous number of students with an extremely huge age gap. In order to best serve the needs of the diverse group, with the joint effort of both the teacher and the parents, the school is excited to offer an additional Kindergarten Pinyin class for young kids starting on the 29th of October in Room 208 Main Building of Winter Park High 9th Grade Center at the same time slots of 2:00 to 3:50 pm every Saturday.

This new class will be taught by Dr Zhuli White, herself a parent of the Pinyin class too. Dr White is originally from China who came to Washington D. C. in the mid eighties to pursue her Education Doctorate degree. She has taught at Greenwood Lake Middle School of Seminole County Public School since 1990. This is her first year at our school and we warmly welcome her aboard as faculty and parent at the same time.

In this new Pinyin class, Dr White will start teaching from the very basic Phonetics, concentrating in Pinyin only for the full year. She will be using the same set of textbook as used in the other class by Mrs Yichia Vorhis. Mrs Vorhis will continue her dedication and lessons as planned. Mrs Vorhis class will be inclined toward older children. Both Mrs Vorhis and Dr White will be working hand in hand for the best interests of students.
